The contest operator's voice ...

GW0ANA: First time in this contest, but enjoyed it. **HB9DCW:** Had great fun in the test. Thanks for checking the logs. **SP6AOI/A:** It was my 2nd very attractive RTTY contest. **JA2NNF:** QSO mainly made between EU and USA – bad for Asia. **JA1WYQ:** Started with RTTY 2 months before. **ZL2AKI:** Very hard contest from this area. **VE7ARS:** Found several versions of the rules. Hope to have more time next year. **WF5E:** Great contest, not many people understand QTC rules. **W6/G0AZT:** I have been in every RTTY test since 1985 and really enjoy them, however I suspect that due

to the complicated nature of QTCs and unclear rules, there are many operators who do not think of entering this contest, which is a great shame. **K6WZ:** Magazine contest editors still do not read the rules. Some Ops. don't either. **OA4ZV:** A lot of misunderstanding in the rules.
