

ARDF International German Championship Foxoring and Sprint May 10 until May 13, 2018 in Diekholzen near Hildesheim / Germany

Registration for accommodation in the dormitory

The participants are free to make their reservation in any hotel, or may stay overnight in a caravan / tent at the sports ground. As an alternative you may use a dormitory in the village of Diekholzen free of charge. Please bring your own sleeping bag, air mattress and earplugs. It is not possible to darken the dormitory, so a sleep mask may be helpful. During daytime the dormitory is not accessible for participants, please leave no valuables in the room.
