

## Sonderdiplom 30 Jahre RSV e.V.

English Version

### Special Award 30 years RSV

The „Radiosportverband (RSV e.V.)“ was founded March 24th 1990 as the first freely elected amateur radio association of the former German Democratic Republic. The RSV existed until the merger with the DARC at the end of the same year. On this occasion, the Referat DX of the German Amateur Radio Club e.V. issues this special diploma.

From March 24<sup>th</sup> through October 2nd 2020, the applicant has to submit by both sides confirmed contacts as follows:

**Basic Award:** with each of the six DARC-Districts S, X, W, D, V and Y two contacts with different stations are required (the district is the first letter of the so called DOK). Another three contacts with the special event station DM30RSV using three different amateur radios bands are required.

A total of 15 contacts are required.

**Master Class:** with each of the six DARC-Districts S, X, W, D, V and Y four contacts with different stations are required (the district is the first letter of the so called DOK). Another three contacts with the special event station DM30RSV using three different amateur radios bands are required.

A total of 27 contacts are required.

The planned times for the activities of the special call signs are published at [www.70darc.club](http://www.70darc.club)

All amateur radio bands and modes within the privileges of the applicant's license may be used. An award may be made specific to the following modes: CW, Fone, digital modes and mixed modes.

You can only apply for the award via the DARC Community Logbook (DCL). The award is available as a PDF download for a fee of 3 EUR, or as paper version for a fee of 7 EUR.

The cost of the award is payable via PayPal during the application process.
