

International Amateur Radio Union Region 1 2017 General Conference – Landshut, Germany

16 – 23 September 2017

Subject:	Chairman for C5		
Society	VHF Manger	Country:	IARU Region 1
Committee	C5	Paper Number:	LA17_C5_54
Author:	Jacques Verleijen ON4AVJ		

Introduction:

We need to have a recommendation from C5 for a new chairman for the coming 3 years.

Background:

You choose me in Varna as chairman of C5, rather unexpected. I tried to fill this function at my best. You had a report of my activities in my report and in my proposals, mainly about my vision about the new VHF handbook and about the creation of a VHF contest workgroup.

I want to keep forward to try to have the discussions in C5 on a higher level about defending our spectrum and how we can improve activity on our bands. Those bands (mainly above 439 MHz) are threatened more than ever.

Key points and proposal:

I am willing to stand for another 3 years period as chairman for C5.

Recommendations:

I make myself available for re-election as the C5 Chairman for the next 3 years.
