

International YL-Activity World Women's Day 2021

For the eight's time, the DARC YL group is organizing an international YL-Activity at the International Women's Day on:

Monday, March 8th 2021 from 18:00 until 21:00 UTC (19:00 until 22:00 MEZ) on 40m and 80m in SSB & CW.

Scope of activity:

We would like to encourage a large number of YLs to be active and on the air during the three hours of this activity. The points per QSO are allocated according to the scheme below.

Points:

There are **two** participant categories: OM and YL.

Points awarded per QSO:

YL	OM	1 point
YL	YL	3 points
OM	OM	0 points

Each station can be worked once per band.

For SWLs:

1. All logged QSOs between YL and YL (3 points)
2. All logged QSOs between YL and OM (1 point)

Logs:

The logs should be in chronological order and must contain QSO date, time (in UTC), band, mode, call of QSO partner, name of the QSO partner, RST and the points claimed.

Submission deadline is March 25th 2021.

The log should be submitted as an Excel file in the following format (use your call sign as filename):
